ABOUT US

- U Krooze LLC is a certified Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering Smart Mobility Scooter Rentals as a fully managed service.
- We provide high-quality, FDA Class II medical-grade scooters embedded with IoT technology, enabling automated, keyless operation through the U Krooze App and Dashboard.
- Our Mobility Scooters as a Service (MSaaS) platform offers venues an effortless, on-demand mobility solution for guests with physical limitations—eliminating the burden of personal equipment while enhancing accessibility, independence, and the guest experience.

Core Competencies

- U Krooze Mobility Scooter Rentals specializes in and provides:
 - FDA Class II Medical-Grade Mobility Scooters
 - Durable, high-performance scooters designed for safety, comfort, and accessibility.
 - IoT-Enabled, Keyless Operation
 - Secure, app-based access with real-time GPS tracking, usage monitoring, and performance analytics.
 - Fully Integrated Digital Platform
 - Riders use the U Krooze App for seamless rentals; operators manage fleets, parking zones, payments, and data insights through the U Krooze Dashboard.
 - Geo-Fenced Usage Zones
 - Ensures scooters are returned to designated areas, enabling continuous circulation and availability.
 - Turnkey Service Model
 - U Krooze handles all aspects of operations, including charging, maintenance, fleet rotation, and optional on-site staff training—eliminating workload for host venues.
 - Sales of Other Home Health Equipment, Wheelchairs, Scooters, Ramps, Power chairs, Lift out reclining chairs, and other DME Medical Assistive equipment.

Past Performance

- Simon Property Group/Simon Malls
- Brookfield Properties/Retail Properties
- Pacific Retail Capital Partners, Inc./Retail Properties
- United States Air Force F-16 Fighter Jet Crew Chief.

Vision Statement/Mission Statement

To empower people with mobility limitations by providing access to reliable, keyless mobility scooters—freeing them to explore and engage with the world, without the burden of ownership or transportation. In by doing so, being the global leader in Smart Mobility Scooter Rentals, and provider of DME equipment, delivering dignity, independence, and seamless access to all who need it.
